WARRANT
FOR TOWN OF JEFFERSON
1983 TOWN MEETING

THE POLLS WILL BE OPEN FROM 2:00 P.M. TO 8:00 P.M.

To the inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Jefferson on Tuesday, the Eighth day of March next, at 7:30 of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum for four hundred dollars and twenty-eight cents ($400.28) and receive from the State of New Hampshire the sum of two thousand six hundred and sixty-eight dollars and fifty-four cents ($2,668.54) for Town Road Aid.
4. To see if the Town will vote to raise and appropriate the sum of money of up to six hundred and fifty dollars ($650.00) to be donated to the Beatrice D. Weeks Memorial Hospital.
5. To see if the Town will vote to raise and appropriate the sum of one thousand two hundred and three dollars ($1,203.00) for a donation to the White Mountains Mental Health Center.
6. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use of setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any action hereon:

APPROPRIATIONS	AMOUNTS
Road Maintenance	$ 6,000.00
Fire Department	2,000.00
Town Dump	2,000.00
	$10,000.00

7. To see if the Town will vote to raise and appropriate two thousand four hundred and six dollars ($2,406.00) for the Public Health Nursing Services, Inc.

8. To see if the Town will vote to raise and appropriate the sum of seven hundred and fifty dollars ($750.00) for a contribution to the Whitefield Regional Airport Commission.

9. To see if the Town will vote to raise and appropriate the sum of three hundred dollars for support of the Community Action Outreach Program. (by petition)

10. To see if the Town will vote to accept Sunset Paradise Road Lemieux Subdivision, from Route 115 to the two Cul De Sac, approximately 2,200 feet. (by petition)

11. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain, which is harmful to the environment and economy of Jefferson and to the health and welfare of the people of Jefferson. (by petition)

12. To see if the Town will vote to abandon as a public way that portion of Old New Hampshire Route 115 running from property now of Samuel J. Towle to the Valley Road, so-called, said portion of Old New Hampshire Route 115 having been reclassified as the Town Road by notice from the State of New Hampshire to the Town, dated February 8, 1956 and July 24 1956, and to authorize the selectmen to execute appropriate deeds to the landowners through which said old road passes so as to totally extinguish any right of the public to pass over the old road.

13. To see if the Town will vote to authorize the Board of Selectmen to apply for accept and expend, without further action by the town meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year (RSA 31:95b)

14. To see if the Town will vote to authorize the Board of Selectmen to administer and dispose of any real estate, acquired by the Tax Collector's Deed at public or private sale, as the Selectmen, in their sole discretion, deem equitable and just (RSA 80:42 I & III).

15. To see if the Town will vote to authorize the selectmen to accept a deed of the Couture Road, so-called, running from the Flaherty Road out to U.S. Route 2 upon receiving advice from the Town's engineer that the construction of said road has been completed satisfactorily to town specifications.

16. To see if the Town will vote to raise and appropriate a sum not to exceed thirty-three thousand dollars ($33,000.00) for the purchase, after trade in allowance, of a new highway truck, said sum to be paid by the withdrawal of ten thousand dollars ($10,000.00) from the Revenue Sharing Fund and the balance to be paid by withdrawal of a sum including accrued interest not to exceed twenty-three thousand dollars ($23,000.00) from Capital Reserve Fund No. 1.
17. To see if the Town will vote to raise and appropriate the sum of three thousand dollars ($3,000.00) to be placed in Capital Reserve Fund No. 1 for the purpose of Road Equipment.
18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
19. To see if the Town will vote to allow the Tax Collector to accept prepayment of taxes.
20. To transact any other legal business that may come before this meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord Nineteen Hundred and Eighty-three.

BRUCE A. SANBORN
CARROLL E. INGERSON
RAYMOND M. CONWAY

	$ 161,140.76
Correction Bank Statement	511.26
	$ 161,652.02

CHARLES D. BOND
Treasurer

Auditor's Report

February 14, 1983

This is to certify that I have examined the books, bank statements, and other financial records of the town of Jefferson, N.H. for the fiscal year 1982 and found them correct.

BARBARA A. MARSHALL
Auditor

Fire Chief's Report

January 28, 1983

The Department handled a variety of emergencies in 1982. They break down as follows:

2 car fires
11 chimney fires
1 flooded oil range
2 structure fires
1 flooded house with burst pipes
1 mutual aid run to Lancaster

The new station has greatly improved our ability to train, maintain equipment and respond to emergencies. It means a real improvement in our efficiency and will result in savings to the Town.

The fund raising project of the Jefferson Adult Citizens made it possible for us to set up a communications net. Their gift of $1,025. together with a matching grant of $900. from the New Hampshire Forest Fire Service and $500. from other gifts has allowed us to buy two mobile and two portable radios. We can now operate more efficiently at the fire scene and can communicate with other departments in the mutual aid association.

We continue to upgrade our trucks and equipment. The Jefferson Firemen's Association donated the paint job for Engine #4.

The Department continues to sponsor the New Hampshire certified Fire Fighter I course, with firemen from Gilman, Whitefield and North Stratford joining us.

Men and women interested in joining the Department should come to a drill on the first Tuesday of each month or call the Chief at 7711.

We appreciate the support of the Town for our efforts and will continue to do our best for Jefferson.

Respectfully submitted,

CHARLES D. BOND
Fire Chief

Report of the Fire Station Committee

In the fall of 1981 the station site was excavated and filled with gravel. In May, 1982 construction began under the direction of contractor Ron Medieros. In six weeks time the fire trucks were in the station.

The project budget was $65,000. and the actual cost was $64,628. Because it was built on a cost-plus basis with Ron's efficient management, we got much more in the building than called for in the original plan. Interior finish, circulation fans, extra storage space, a paved drive and parking area and landscaping were all possible within the budget.

The building includes 6" of wall insulation, 9" overhead. insulated doors, double insulated windows, a septic system large enough to service the town hall, a 2,000 gallon reservoir and dry hydrant for winter water supply and toilet facilities. I will fully meet the needs of Jefferson for many years.

The $40,000. Farmers' Home Administration 5% mortgage calls for 15 payments of $2,670. each. In addition there is an annual interest payment of 5% on the outstanding balance so each year's interest will be $133. less as it is paid off.

Sale of the quonset hut realized $800. and investment of funds during construction earned $544.

Report of Town Forest Fire Wardens and State Forest Ranger

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	State - NH	District - 8	City/Town - Jefferson
No. of Fires	391	9	1
No. of Acres	161 3/4	20	5

Forest Fire Warden

Public Health Nursing Service, Inc.

Public Health Nursing Service has continued to serve the town of Jefferson since 1973. The nurse is available Monday through Friday, 8 a.m. - 4 p.m. on a regularly scheduled basis and evenings and weekends depending on patient needs.

We have served a wide variety of residents including persons recently discharged from hospitals who require further treatment at home, persons who receive treatment at home rather than going to a hospital, infants and children who are enrolled in our Well Child Clinics receive physical examinations, immunizations and dental care. Blood Pressure Clinics are held monthly in each of the towns we serve and are well attended.

During the past year we have established a Homemaker/Home Health Aide program. Under the supervision of a registered nurse, the aide provides personal care, such as bathing, shampoo, or follows a program established by the physical or speech therapist. In a rural area, such as ours, with a high percentage of elderly, the service provided by our agency can mean the difference between staying home and being placed in a nursing home.

A total of 3,786 visits were made last year, a 12% increase over 1981.

Public Health Nursing Service is a voluntary, non-profit organization and visits are made regardless of ability to pay.

The continued success of Public Health Nursing Service is dependent on the contributions of time, energy and appropriations of the communities served.

Sincerely,

JOHN BLACKADAR
Chairman, Board of Directors

ROBERTA DAYCOCK, R.N.
Nurse Director

Library Trustee Report

The year 1982 saw further weatherization of the building, and improved book display and room utility. A new front door was installed. New book shelves are substantially completed due to continued support from the Friends of the Library and from the town.

Installation of the gas heater, from the old fire station, in the former Historical Society room has given us more space and the ability to serve more people, such as the girl scouts. Plans are for this room to become the children's section of the library.

The local Brownie Troop brightened up the front yard last summer with colorful flowers they planted.

We would like to pay tribute to Henry and Agnes Woods. Henry made the distinctive wooden letters for the new library sign. Agnes has been donating books on a regular basis for some time now.

In the interest of expanding our individual intellects, the Trustees hereby encourage the citizens of Jefferson to take time to READ.

Respectfully,
SHIRLEY CALL
WILMA CORRIGAN
ADELE WOODS

Librarian's Report

The Library has seen much activity this year. Two new rows of adjustable shelves built by Tom Woods have been added and more are in the process of being made.

A beautiful front door was installed by Ron Medieros and it has received many compliments from patrons. With the old firehouse heater installed in the previous museum room, it has been possible to serve the public in yet another way, by utilizing it for meetings. Girl Scouts meet every Saturday morning. The "Friends" are planning on helping to make it a children's room.

Jefferson's Brownie Troop planted beautiful flowers along the walk and around the sign, which added a great deal to the exterior of the Library.

The summer seemed slow in regards to circulation, but the fall and winter improved considerably.

Although the book mobile has been discontinued, the Librarian goes to Twin Mt. about every 3 months and selects books which are delivered by a van. We have also taken advantage of the new "Media Mobile" out of Twin Mt., which will stop at homes of shut-ins.

The "Friends" have been busy as usual and received a $50 award for their efforts from the State Association. A scrapbook of their activities won first prize in a Statewide contest. A poster contest was held for the elementary school to promote National Library Week.

Welcome baskets distributed to new residents were well received and the 4th of July celebration and Christmas Bazaar were big successes. Christmas tree lights provided by the Friends graced the trees in front of the Library.

As always, we have been fortunate in receiving many gifts of books from patrons and a sincere thanks to all who have contributed.

Respectfully submitted,
BRENDA GROSS
Librarian

Nevers - Town of Jefferson Scholarship Fund

1982 was the second year that three High School Students of Jefferson received a scholarship from this fund.

This scholarship is for any High School senior who is a year-round resident of Jefferson, and any type of education will be considered.

Both years the scholarship awards were made possible due to the efforts of Leon and Alfred Nevers. We wish to thank each, "Highly", for their generous support. Also, we wish to give our sincere thanks to all individuals, organizations, or any one who has in any way donated to the fund. There would be little growth to the scholarship without all of you.

The Fund has grown very well since being founded in 1980 by the Wilbur Nevers family, but it has a great ways to go yet. Anyone wishing to donate to this may do so at the Lancaster National Bank where it is established, or to a Committee member. These members consist of the three Jefferson Library Trustees, one family member and the Principal of Jefferson Elementary School.

1982 COMMITTEE

Margaret Nevers Griffith — Family
Shirley Call — Trustee
Wilma Corrigan — Trustee
Adele Woods — Trustee
Joan Stansfield — Acting Principal

White Mountain Mental Health Center

DIRECTOR'S REPORT

This last fiscal year was extremely busy for White Mountain Mental Health Center and T.E.M.P.O. We are a private, non-profit, organization providing community based mental health and developmental services. Our organization is governed by a board of directors who are elected from the communities we serve. We provide service to twenty-two towns in northern Grafton and southern Coos Counties. Our central office is located in Littleton; however, we have satellite offices in Lincoln, Woodsville and Lancaster. We are accredited by the New Hampshire Division of Mental Health and Developmental Services. I would like to provide you with brief examples of our services and our level of activity.

The mental health program offers a comprehensive array of psychiatric services. The services include: counseling, case management, alcoholism services, emergency services, evaluations and consultation services. We provided 5268 hours of counseling during this past year (July 1, 1981 to June 30, 1982). The number of referrals recorded was 525. Additionally, we responded to 600 requests for emergency service. This level of activity represents a 5% increase over last year.

The developmental disabilities program (T.E.M.P.O.) has also had a very active year. The services offered at T.E.M.P.O. include: supervised work, educational services, training services and recreational activities. T.E.M.P.O. was open a total of 237 days last year. The average number of clients served per day was 25. The length of our service day is six hours. We take pride in the fact that we paid our clients $27,063 for the work they performed last year. T.E.M.P.O. operates two vans which transport clients to and from the workshop Last year, we traveled over 28,000 miles transporting clients.

The mental health center and workshop will be relocating in 1983. We have purchased a building, through a Small Business Administration loan, large enough to house both the mental health center and T.E.M.P.O. The new facility is located in Littleton. I feel that the move will be beneficial to both programs and clients. It will permit us to share resources and work more effectively on mutual cases.

The goal of our organization is to assure that mental health and developmental services remain available at the local level. We feel that local services are more efficient, effective and humane. The absence of sufficient funding from any individual source makes it necessary for us to request community support. We appreciate your past generosity and ask you to help us continue our work.

FISCAL SUMMARY - FY 1983

This year, the Division of Mental Health and Developmental Services required major changes in our fiscal reporting. Therefore, you will note changes in the names of expense categories. Additionally, we have new guidelines about what line items are to be included in each expense category. My current budget reflects the changes required by the state.

This year's budget has increased by 11%. The increase is due to the following changes: a 4% salary increase, the addition of two new developmental services staff, increased cost of supplies and materials.

EXPENSES

Salaries	$341,800
Benefits	52,300
Payroll Taxes	22,900
Professional Fees	24,800

Jefferson F.A.S.T. Report

The Jefferson F.A.S.T. responded to 15 ambulance and fire calls this year. Will DeCourcey and Mike Smith have both completed E.M.T. refresher courses, and are now certified for two more years. Lori Davis and Wendy Allin would like to be enrolled in an E.M.T. course. They will prove to be a great asset for Jefferson, because they both work and live in town.

Anyone interested in helping by manpower, materials, or donations, please call Mike Smith at 586-4410.

If you need the Jefferson F.A.S.T. and/or the Lancaster Ambulance Corps., please call 788-4911, Weeks Memorial Hospital. They will page us by radio.

Thank you for your support and interest.

North Country Council, Inc. Report

In 1982 in the Town of Jefferson, North Country Council provided information on open dump burning and followed the design and engineering progress of the Route 115 improvements.

In addition to providing specific assistance to your town, the Council works on activities that benefit several towns and the entire North Country. In economic development, the Council has provided direct local assistance to several communities in their local development programs and has continued to seek approval from the Economic Development Administration for a revolving loan fund to assist small and medium-sized businesses in eight communities. As a member of the Small Business Development Program for Northern New Hampshire, NCC has provided information to prospective businesses on the available training and financial programs. The Economic Development Committee has met on issues such as trends in the wood products industry, the future of the North Country railroad system and small business development and financing.

One of the major efforts for towns is community planning. The Council staff met throughout the year with numerous planning boards, selectmen, and master plan committees to discuss community issues and provide solutions such as zoning, subdivision regulations, site plan review, sign, parking, septic system and mobile home regulations, recreation planning, business and traffic surveys, and more. The Council organized a subdivision workshop in the spring for planning board members, coordinated the Municipal Law Lectures in the fall, and provided information to towns on HUD's Small Cities Community Development Block Grant and Urban Development Action Grant programs. In an effort to maintain essential planning assistance to our towns given the somewhat small budget, our Community Planning Committee established a clear policy on membership services. This is described in a brochure we recently mailed to you entitled "North Country Council, Inc: What's In It For Your Town?"

In transportation, the Council's Transportation Committee assisted the NH Department of Public Works and Highways with the Annual Highway Action Plan Meeting. This meeting is usually very productive as it is the major way that the public can participate in identifying and supporting needed highway

improvements. NCC is assisting the state, the new rail operator, and rail users in marketing the Concord-to-Lincoln rail line to make the line more economically viable and eventually self-sufficient. In the Mt. Washington Valley, NCC surveyed businesses to determine the potential for utilizing a truck/rail terminal. We are also following the proposed New England rail reorganization and its impact on our region. The Council continues to work with the Whitefield Regional Airport in an on-going effort to secure commuter air service.

The Council is providing planning recommendations and some technical assistance to towns in anticipation of the solid waste district planning scheduled to occur in late 1983 and 1984. We had a voice in amending the state's solid waste law to make it more flexible in local situations. Sharing of ideas and coordination in this field is aided by staff member Fred Moody's position as a director of the NH Resource Recovery Association.

To assist town governments with administrative and financial tasks (e.g., tax billing, accounting, etc.), NCC has acquired a mini-computer with programs to accomplish these functions. At this time, we developed our tax billing services and look forward to offering additional services in the future.

The Council has also conducted historic buildings inventory in a few towns and will be serving as a clearinghouse on historic preservation planning and activities.

The Council closely followed the proceedings for the Quebec Hydro powerline in 1982 and presented our position before the Site Evaluation Committee in March. We recommended construction of the line in Vermont which provided the most economical, direct, and least environmentally-damaging route. As of early 1983, it appears the powerline will follow the Vermont route and will come into NH in Littleton. NCC also testified before the NH house and Senate in support of the Pontook hydroelectric facility in Dummer.

For the last year and a half, the Council has published NEWS FOR SELECTMEN, an informative report on local, regional, state and federal activities and trends. The Council is active on the state and national level through the NH Association of Regional Planning Commissions and the National Association of Regional Councils. We were very fortunate to have our former President and Jackson representative Oliver Nelson serve as the Chairman of the National Advisory Committee on Rural Development. This past summer, the Committee prepared a rural development strategy. The Council set up one of two in-state meetings to solicit views from the public on rural needs and practical solutions.

As in the past, the Council's major emphasis will continue to be technical assistance and information on matters of concern to local governments. The Council staff is always available to meet with local officials to discuss projects and needs of the towns.

On behalf of the Council and its Board of Directors, we thank you for your support during the past year and hope that the Town will continue to use the services of NCC during 1983. Please feel free to contact either one of us or the Council Staff in Franconia at 823-8108 or 823-5566.

Respectfully submitted,

EARL ELLINGWOOD
THOMAS WOODS
NCC Representatives
